**Personal Recollections of the Year:**

**Chris Hill**

My notable experiences:

- 1) Jim Rojecki teeing off on # 11. His tee shot went further vertically than horizontally. Putting on a brave face, Jim's recovery shot smacked into the tree on the right side of the tee box, rebounded, and came to rest for a combined two shot distance of ~ 25 yards. He hit a decent third shot, however.
- 2) Brad Burnham's second shot on # 6. Can't remember if it was from the left hand sand trap or just outside, but the arc was perfect and the ball disappeared into the hole with loud authority.

**Bob Berres**

- I witnessed a record F-bomb/club throwing tirade after an OB shot by a Retee who should remain nameless....
- I saw Ricky Newmiller!
- I got to golf with my hero Brad Osborn!
