Subject: 2012 ReTees Newsletter - Final Chapter for the year (almost)

## Greetings ReTees,

Spinning through the void of space at over 11 hundred miles per minute, the ReTees have travelled nearly 300 million miles in an elliptical path since we first tee'd off back in March. During the 183 days of this year's campaign, we've met some new good friends, tipped our cap in bidding farewell to a few old ones, and tried to master (or at least get better at) this crazy game of golf.

While we have travelled far, some of our handicaps haven't been so lucky... the season always starts with visions of the lower handicap... yet our bodies, our vices, and our minds, tend to influence the outcome way more than we think or hope. But,... does it really matter? I say, "No"... as long as you are with good people, enjoying the fact that we are out there humbling ourselves to this pesky mistress we call golf, all the while enjoying the journey, and the fact that the lungs are still taking in air, and the ole' chambered muscular organ continues to pump that wonderful hematic liquid through our veins... well... it just doesn't get any better than that, does it?

I say, tip your glass 🍷 to a fun season that is now in the rear view mirror (today is the last Wednesday of unpunched greens.... Foster breaks out the aerator next Tuesday).... and give a toast to the ReTees champions **Bob Tomsett** and **Mike Yamada**... and wish them well in their battles at the Home Course this Saturday. Carry the ReTees mantle well gentlemen... and good luck!

As far as the ReTees Newsletters go, there will be an occasional publication during the off-season, to provide you with meeting minutes from our officer's transition meeting (time and place TBD),

next year's schedule, and any updates to rules, and of course, the registration request for the 2013 season.

But that's all ahead of us....and we have nearly 300 million more miles to travel before we tee it up again in the spring of 2013....so, between now and then...you fine gentlemen have a great off-season...and I looking forward to collecting more quarters from you next year!

Cheers!
